Advisor's Advantage

Products and Services For Your Advantage

Advisor's Advantage* provides your firm preferred access to products and services developed by independent companies specifically for independent RIAs, often at discounted rates. These products and services help advisors build, grow and make their practice more efficient. **Unless stated below, when contacting the product provider just mention you are working with SSG in order to take advantage of the discount.** Products and services herein are not provided by SSG.

Compliance / Regulatory Service & Support / Cyber Security

AdvisorAssist www.advisorassist.com (866) 513-4042

Provides comprehensive RIA start-up and ongoing support services including RIA Registration, B-D Transition Strategy, Compliance Program Design, Ongoing Compliance Support and Technology Strategy. They provide ongoing support for RIAs with Annual Compliance Programs, SEC/State Exam Preparation, Advertising Reviews (incl. Social Media) and more. AdvisorAssist is offering a no charge consultation and 15% discount off their standard rates for *RIA registration* for SSG Advisors.

Advanced Regulatory Compliance www.advreg.com (310) 275-7300

Tailored regulatory and compliance advice. Guidance for Form ADV creation, revisions and review; "mock" audits, registration and licensing issues, operations manual development, and many other areas pertaining to regulatory/ compliance matters. 10% discount from published rates.

RIA in a Box www.riainabox.com (440) 230-3627

Our staff of industry professionals and former regulators guides you through the entire planning and registration process and creates customized documents specific to your business. For all service levels, we assist with Form ADV amendments and individual adviser registrations. We also offer unlimited compliance consulting time and document review as part of our Professional program. All firms also gain access to our industry-leading online RIA compliance software platform, **MyRIACompliance™** which will allow you to more proactively manage your day-to-day compliance responsibilities. Mention SSG when you join one of our ongoing compliance programs and receive your first full month of service free. For more information, contact Jennifer Fair at jfair@riainabox.com or call 440.230.3627.

Foreside www.foreside.com (866) 251-6920

At Foreside our experienced professionals strive to meet your compliance needs so that you can rest easy and focus on what you do best. Our hallmark focus is on providing reliable, convenient and reasonably priced services that are geared to RIAs. Some of the services Foreside offers include registration with the SEC or states, on-site compliance reviews, web site and advertising reviews, customized supervisory procedure manuals, IARD filing services, and assistance with on-going compliance needs. Customized services are designed to allow your firm to work closely with our compliance consultants in structuring a compliance system that is appropriate for your specific regulatory needs. For more information please contact busdev@foreside.com

Red Oak Compliance Solutions LLC www.redoakcompliance.com (888) 302-4594

Red Oak is a full-service compliance consulting firm helping Advisors with a range of registration, compliance, and supervisory services. Our goal is to allow you to focus on your clients and other priorities while we assist with your compliance burden. 888.302.4594 or visit our website, www.redoakcompliance.com, to learn more. 10% discount.

RIA Registrar www.riaregistrar.com (800) 441-1219
 A turnkey solution for RIA registration. They offer: support for passing the 65, state/SEC registration, books and records, annual renewal, registration program, RIA maintenance program and E&O coverage. Mention SSG when you call and you will receive a flat \$300 discount off their standard rates.

The Consortium www.liftburden.com (805) 987-6115
 Protect your license and reputation - avoid compliance deficiencies - steer clear of regulatory fines.
 The consortium brings together the body of knowledge of compliance, practice management, and marketing through the years of industry experience of its founder, Nancy Lininger. Nancy has hands-on experience in sales, marketing, and compliance consulting. In addition to consulting, she offers a range of user-friendly customizable compliance resources (templates, guides, forms and research), designed to get you on the right side of securities compliance regulations - and keep you there. Contact Todd Sakoda, todd@liftburden.com,

Chicago Clearing Corporation www.chicagoclearing.com (312) 204-6970
 CCC is the securities class action recovery specialist. CCC serves a wide range of investors including hedge funds, bank trust departments, investment advisors, pension funds, brokerage firms, and proprietary trading firms. No matter the type of investor, CCC uses its many years of experience to retrieve every dime for our clients. Contact Brian Blockovich at (312) 204-6970 for more information.

Advisor Armor, www.advisorarmor.com (800) 421-7897
 Leading business and regulatory cybersecurity compliance-consulting firm for investment advisors. We deliver comprehensive interpretation, sound guidance, and the tools needed to establish and evidence required elements including policies and procedures, training and testing, vendor vetting, technology audits along with managed breach response.
 Firm coverage is \$99 per month with no contract required. Shareholder Services Group members get a 20% discount. [Get Coverage](#)

Errors and Omissions Insurance

Markel Cambridge Alliance www.markelcambridge.com (800) 691-1515
 Program manager for E&O insurance that concentrates on RIAs, IARs, financial planners and asset managers. Discount of 5% for advisors using SSG, an additional 5% for NAPFA and/or FPA members.

Financial and Tax Planning Software

Advyzon www.advyzon.com (844) 829-0039
 Advyzon is an all in one technology for advisory firms, which includes client reporting, billing, CRM, and document management. Advyzon also has the highest customer satisfaction in the industry in both Portfolio Management and All-In-One systems as of February 2018 in the Bruckenstein/Veres technology survey. Discount of 13 months for the price of 12 month.

RightCapital www.rightcapital.com (888) 982-9596

RightCapital was created with the goal of developing next generation financial planning software that advisors can use to simplify the financial planning experience for their clients with three main goals: an elegant, modern look and feel; interactive, easy to use tools that can be shared by advisors and clients; rigorous and robust calculation engine that generates accurate results quickly. Discount of 20% if paid annually or 10% if paid monthly.

AdvisoryWorld (ICE) www.advisoryworld.com (800) 480-3888

Offers interactive and integrated financial tools including web-based multi-asset portfolio modeling, Monte Carlo simulations through optimization, financial plan, security analysis and detailed cash flow. Discount generally of 10% based upon services chosen.

MoneyGuidePro www.moneyguidepro.com (804) 744-5900

A web-based financial planning software service from PIE Technologies. MGP offers a unique client-centered approach that supports a sophisticated, goal oriented planning process. Choose from one of three discounted annual subscription rates: \$915 a year or \$235 per quarter or \$85 per month. **Contact SSG for a subscription form.**

Holistiplan, www.holistiplan.com

A tax planning software solution, helps financial planners be more comprehensive AND more efficient. Created by two CFP® professionals, Holistiplan drastically reduces the time it takes to provide tax planning for clients. An adviser uploads clients' tax returns to generate white-labeled, client-ready tax planning reports within seconds, with no data entry. The tax return data also pre-populates a tax projection tool for more detailed tax planning. Holistiplan is removing barriers for advisers to provide robust tax planning services to their clients. 10% discount available

Marketing / Communications / Websites

Snappy Kraken, www.snappykraken.com 844-762-7795

A complete digital marketing strategy ready to deploy. Proven strategy, modern tactics, and flawless execution – all done for you. Never wonder what to send because you'll have the perfect balance of evergreen and timely content at your fingertips. Promote your business consistently on every channel — Email, Social Media, Online advertising/retargeting and more. Contact them directly for pricing.

Forefield, Inc www.forefield.com/ssg (800) 550-6831

Provides sales, education, and client communication tools that enable financial advisors to deliver current, concise and compliant resources to their clients. Discounts vary depending upon the services selected.

Impact Communications www.impactcommunications.org (800) 974-7753

A full service marketing communications firm, with turnkey brand/identity packages, public relations, and coaching services directed specifically for independent RIAs. Discounts vary by service chosen.

Portfolio Management, Performance Reporting & Rebalancing

Albridge Wealth Reporting www.albridge.com

On-Line Consolidated Reporting. How much time do you spend every day searching for client information that should be at your fingertips? Do preparing client reports consume your time? Imagine what it would be like to have all of this information, instantly, and with just the click of a mouse. With Online Consolidated Statements and Performance Reporting, you can get out of the data-management business and focus on clients. Discounted over 50% through SSG. **Please contact SSG for a subscription form.**

AdvisorPeak, www.advisorpeak.com (801) 679-2646

Innovative portfolio insight and rebalancing for financial advisors. Using trading and rebalancing software is the most powerful and intuitive way to manage your client portfolios. Our software is supported by an experienced team with more than a decade of experiencing building software solutions for the wealth management industry. It's time for a new industry standard in portfolio rebalancing. Contact AdvisorPeak directly for special discount pricing for advisors using SSG.

AllBackoffice www.allbackoffice.com (919) 741-6104

Through a comprehensive array of operational services including portfolio accounting and administration, billing, performance reporting, held away account aggregation, data integration, and client web reporting, AllBackoffice helps to ensure that advisors can focus on client service instead of operational challenges. AllBackoffice Consulting excels at providing outsourced managed technology along with a commitment to limit conflicts of interest. AllBackoffice is focused on helping advisors leverage tools and processes to run an efficient and scalable back office. Advisor referrals from SSG will receive a waived implementation fee for AllBackoffice Data Aggregation (\$800.00 Value) or AllBackoffice Web Reportal Implementation and Training (\$600.00 Value). Call (919) 741-6104, choose sales and contact Marty Morua from the menu.

AssetBook www.assetbook.com (301) 387-3238

Use **promo code is Ssgroup**.

Riskalyze www.pro.riskalyze.com (530) 748-1653

Riskalyze empowers advisors to use quantitative risk tolerance to win new clients, design portfolios, analyze portfolios and pinpoint client risk expectations. They take the subjectivity and guess work out of being an advisor by replacing it with Nobel Prize winning science, based on data and math. The product helps advisors win new clients, analyze prospect risk, pinpoint client expectations and design amazing portfolios. SSG advisors will receive their second month free of charge, that's a \$99 savings every year. To learn more and subscribe click on the link below or call 530-748-1653.

https://pro.riskalyze.com/?utm_campaign=20130318ssgadantage

iGift Fund www.igiftfund.org (800) 810-0366

For over 30 years, we've worked with financial advisors – RIAs and brokers – who recognize the need for simple, tax-smart and meaningful philanthropic solutions for high-net-worth clients and prospects. These clients have an ongoing commitment to philanthropy. They look to you as their trusted advisor for guidance and ongoing management of their personal and philanthropic assets. As an independent sponsor of a donor advised fund, iGiftFund serves a unique niche, free of unnecessary restrictions and potential conflicts of interest in an environment that enables financial advisors to enhance and retain their trusted advisor relationship over multiple generations.

American Endowment Foundation www.aefonline.org (888) 402-9170

Founded in 1993, American Endowment Foundation (AEF) fills a unique role as America's largest independent donor advised fund program – a national, public charity. A donor advised fund (DAF) could be best described as a charitable investment account that provides simple, flexible, and efficient ways to manage charitable giving. The money or assets that go into a donor advised fund becomes an irrevocable transfer to a public charity with the specific intent of funding charitable gifts. This public charity serves as the administrator of the DAF.

web401k.com www.web401k.com (609) 275-4614

web401k provides a wide range of customized retirement plan solutions to assist companies in sponsoring both qualified and non-qualified retirement programs. They offer advisors clients the following; Daily Valuation Recordkeeping, Investment Freedom, Open Architecture, Internet Access (participants and plan sponsors), Plan Reporting Hotline, Compliance Oversight, Eligibility Determination, Document Design/Consultation and Form 5500 Preparation. To learn more contact Leyla Howarth (609) 275-2804 or email her at leyla.howarth@web401k.com.

Separate Accounts & Managed Account Services

Morningstar Managed Portfolios

<https://advisor.mp.morningstar.com/> (877) 626 3227

Since 2001, Morningstar Investment Services has been helping advisors with objective, independently managed portfolios for their clients through the Morningstar Managed Portfolios program. Their broad lineup of mutual fund, stock and ETF managed portfolios offer a valuable investment solution for independent RIAs that want an institutional money manager overseeing their client's investments. Several portfolios strategies are available with minimum investments as low as \$25,000. For more information on the program, please contact SSG. We'll send you the information!

SmartX Advisory Solutions, www.smartxadvisory.com
(561) 835-8690

SmartX Advisory Solutions has changed managed accounts and how easily you can now run your investment management operations. SmartX offers technology not seen before in the managed accounts space with real-time trading, intra-day sleeve-level reporting, and access to traditional, alternative, and direct indexing strategies all within a unified managed accounts structure. SmartX is now available to SSG advisors so come explore how you can spend more time keeping and finding new clients, instead of diverting resources to trading and operations.

First Ascent Asset Management

First Ascent Asset Management www.firstascentam.com
(720) 465-7888

First Ascent builds portfolios for long-term investors. Keeping fees low helps clients reach their goals faster. Our industry-first flat-fee pricing is simple and very transparent. Clients know at the beginning of each year what they're going to pay. We've shown that you can find quality investment management, fair pricing, and excellent service together under one roof.

ENVESTNET.

Envestnet www.envestnet.com (866) 924-8912

Separately Managed Accounts Powered by **Envestnet** provides SSG advisors with access to over 500 institutional asset managers at reduced rates. Advisors have many tools including; a web-based platform that provides access to multiple investment programs, Proposal generation tools, manager due diligence, research tools and much more.
