Protection for Your Assets

Securities Investor Protection Corporation (SIPC®) Coverage

Pershing is a member of SIPC, which protects securities customers of its members up to \$500,000 (including \$250,000 for claims for cash). Explanatory brochure available upon request or at sipc.org.

Excess of SIPC Coverage Through Underwriters at Lloyd's and Other Commercial Insurers

In addition to SIPC protection, Pershing provides coverage in excess of SIPC limits from certain underwriters in Lloyd's insurance market and other commercial insurers. The excess of SIPC coverage is valid through February 10, 2016 for Pershing LLC accounts. It provides the following protection for Pershing LLC's global client assets:

- > An aggregate loss limit of \$1 billion for eligible securities—over all client accounts
- > A per-client loss limit of \$1.9 million for cash awaiting reinvestment—within the aggregate loss limit of \$1 billion

SIPC and the excess of SIPC coverage do not protect against loss due to market fluctuation.

An excess of SIPC claim would only arise if Pershing failed financially and client assets for covered accounts—as defined by SIPC—cannot be located due to theft, misplacement, destruction, burglary, robbery, embezzlement, abstraction, failure to obtain or maintain possession or control of client securities, or to maintain the special reserve bank account required by applicable rules.

Lloyd's currently holds an A+ rating from Standard & Poor's® (S&P®), an A rating from A.M. Best and an AA- rating from Fitch. These ratings are based on the financial strength of the company and are subject to change by the rating agencies at any time.⁵ For more information about Lloyd's, please see www.lloyds.com.

"Transaction" means those transactions which You can perform with Your Cards and Checks as more fully described in this Agreement, as well as ACH Transactions.

"Unauthorized Transaction" means a Transaction made by someone without Your authorization and from which You received no benefit. An Unauthorized Transaction does not include: (a) a Card Transaction by a person to whom You furnished Your Card or PIN unless You have notified Us that Card Transactions by such persons are no longer authorized and We have had a reasonable opportunity to act on such notice; (b) a Transaction made or authorized by You with the intent to defraud; or (c) a Transaction which is made in error by Us.

"We, Us, Our" means, as the context requires, Pershing, Administrator and/or Bank (for the Brokerage and Banking Services Agreement); and means CheckFree Services Corporation and/or Administrator (for the Billsuite Agreement).

SECTION B — BROKERAGE AGREEMENT

B.1. Pershing's Role

Pershing may accept from Your Introducing Financial Organization, without inquiry or investigation, (i) orders for the purchase or sale of securities and other property on margin or otherwise, and (ii) other instructions concerning Your accounts. Notices to You concerning margin requirements or other matters related to You usually will go through the Introducing Financial Organization; however direct contact by Pershing may occur if market conditions, time constraints or other circumstances require it. Pershing shall not be responsible or liable for any acts or omissions of the Introducing Financial Organization or its employees. You understand that Pershing provides no investment advice nor does Pershing give advice or offer any opinion with respect to the suitability of any transaction or order. You authorize Pershing to act as Your agent to purchase and redeem for Your account shares of the Funds, as previously defined, and You agree that You shall not hold Pershing, its other divisions, affiliates, officers, directors or agents liable for any trading losses incurred. You understand that Pershing will provide services to You including, but not limited to, furnishing necessary documents and information, and taking requisite action regarding inquiries, complaints or disputes concerning Your Corestone Account.

B.2. Description of Account

Corestone Account consists of three parts: (a) a conventional brokerage Account (the "Account") which is either a cash or margin account, or both; (b) access to funds in the Account via Cards, Checks and ACH Transaction; and (c) a choice of Funds. In connection with Your Corestone Account, monies that You owe Pershing such as: (a) Debit Balances in the Account; (b) amounts owing as a result of Your Card, Checks or ACH Transactions or (c) Corestone Account, deposits

made for You that are later reversed may be satisfied by any of the following: (1) any credit in Your Account; (2) redeeming shares from Your Funds; (3) if applicable, making loans to You from Your brokerage margin account; or (4) the sale of any securities or other property held by Pershing for You.

B.3. Minimum Required to Open an Account

For a Gold Account, a minimum of \$10,000.00 in cash, marginable securities or a combination of both is initially required. For a Platinum Account, a minimum of \$20,000.00 in cash, marginable securities or a combination of both is initially required. For a Gold or Platinum Foreign Account with check writing only, a minimum of \$10,000.00 in cash, marginable securities or a combination of both is initially required. For a Gold or Platinum Foreign Account with check writing and a Card, a minimum of \$25,000.00 in cash, marginable securities or a combination of both is initially required. For a Silver or SilverPlus Account, there is a \$5,000.00 minimum balance to open an Account.

B.4. Minimum Required to Maintain an Account

Although Pershing does not require a specific minimum balance be maintained for Corestone Accounts, Pershing reserves the right to request additional funds or securities be deposited whenever the asset value of the Account falls below 50% of the initial minimum requirement. If, after Pershing has notified You that additional assets must be deposited, the account is not brought back up to at least 50% of the initial minimum requirement in a reasonable time period, Pershing reserves the right to terminate the Corestone Account at which time You agree to return any Cards or Checks previously issued to You.

B.5. Applicable Rules and Regulations

All of Your transactions shall be subject to the constitution, rules, regulations, customs and usages of the exchange or market and its clearing house, if any, where executed by Pershing, including any of Pershing's subsidiaries and affiliates or Your Introducing Financial Organization.

B.6. Fund

Amounts contributed and received will be invested in the Fund of Your choice subject to prior payment by You and on Your behalf of any outstanding margin loan balances, Card overdrafts or other debit items arising from Card usage, check usage or ACH Transactions. If the Fund You selected is a money market fund, You have received and read a copy of the Prospectus of the Fund, which contains a more complete description of it and its operation. Please note that some special tax-exempt Funds are only available to residents of one state.

Pershing will automatically withdraw from the Fund (or if Your Fund is a money market fund), redeem sufficient shares of the Fund to pay for all securities transactions, Card, ACH and Checking transactions. If You intend to send funds to settle securities transactions, Pershing must receive those funds on the Business Day before the settlement date to prevent an automatic redemption. Pershing will redeem sufficient shares of the Fund to pay for Card and Checking transactions on the date Pershing posts the transaction to Your account, if the Fund You selected is a money market fund.

B.7. Lien

All of Your securities, commodities and other property which Pershing may at any time be carrying for You, or which may at any time be in its possession or under its control, shall be subject to a general lien and security interest in Pershing's favor for the discharge of all Your indebtedness and other obligations to Pershing, without regard to Pershing having made any advances in connection with such securities and other property and without regard to the number of accounts You may have with Pershing. In enforcing Pershing's lien, Pershing shall have the discretion to determine which securities and property are to be sold and which contracts are to be closed. Securities and other property held in Your retirement account(s) maintained by Pershing, which may

include Individual Retirement Accounts (IRAs) or qualified plans, are not subject to this general lien and such securities or other property may only be used to satisfy Your indebtedness or other obligations to Your Introducing Financial Organization and/or Pershing related to Your retirement account(s).

B.8. Credit Investigation, Negative Credit Report

You authorize Pershing to exchange credit information about You and Your Account with others. As required by law, You are notified that any negative credit report reflecting on Your credit record may be submitted to a credit reporting agency if You fail to fulfill the terms of Your credit obligations. Pershing may request a credit report on You and upon request, Pershing will state the name and address of the consumer reporting agency that furnished it. If Pershing extends, updates, reviews or renews Your credit, Pershing may request a new credit report without notifying You.

PLEASE NOTE: PARAGRAPHS B.9, B.10 AND B. 11 APPLY TO MARGIN ACCOUNTS ONLY. THE INTRODUCING FINANCIAL ORGANIZATION IS INTENDED TO HAVE THE BENEFIT AND IS A THIRD-PARTY BENEFICIARY OF THESE PARAGRAPHS AS WELL AS PARAGRAPHS B.12, B.13 AND B.14.

B.9. Liquidation

If, in Pershing's discretion, Pershing considers it necessary for Pershing's protection to require additional collateral or in the event that a petition in bankruptcy or for appointment of a receiver is filed by or against You, or an attachment is levied against Your accounts, or in the event of Your death, Pershing shall have the right to sell any or all securities, commodities and other property in the accounts Pershing has established for You, whether carried individually or jointly with others, to buy any or all securities, commodities and other property which may be short in such accounts, to cancel any open orders, and to close any or all outstanding contracts, all without demand for margin or additional margin, notice of sale or purchase or other notice or advertisement. Any such sales or purchases may be made at Pershing's discretion on any exchange or other market where such business is usually transacted, or at public auction or private sale and Pershing may be the purchaser for its own account. It is understood that a prior demand, or call, or prior notice of the time and place of such sale or purchase shall not be considered a waiver of Pershing's right to sell or buy without demand or notice.

B.10. Margin Requirements, Credit Charges and Deposits

You will at all times maintain such securities, commodities and other property in Your accounts for margin purposes as Pershing shall require from time to time via a margin call or other request, and the monthly Debit Balances or adjusted balances in Your accounts with Pershing shall be charged, in accordance with Pershing's practice, with interest at a rate permitted by the laws of the State of New York. It is understood that the interest charge made to Your Account at the close of a charge period will be added to the opening balance for the next charge period unless paid.

In regard to margin calls, whether for maintenance or any other margin call, in lieu of immediate liquidations, Pershing through Your Introducing Financial Organization may permit You a period of time to satisfy a call. This time period shall not in any way waive or diminish Pershing's right in its sole discretion, to shorten the time period in which You may satisfy the call, including one already outstanding, or to demand that a call be satisfied immediately. Nor does such practice waive or diminish the right of Pershing and/or Your Introducing Financial Organization to sell out positions to satisfy the call, which can be as high as the full indebtedness owed by You. Margin requirements may be established and changed by Pershing in its sole discretion and judgment without notice to You. You should contact Your Introducing Financial Organization for the latest information on margin requirements. Pershing may exchange credit information about You with others.

Pershing may request a credit report on You and upon request, Pershing will state the name and address of the consumer reporting agency that furnished it. If Pershing extends, updates or renews Your credit, Pershing may request a new credit report without telling You.

B.11. Pledge of Securities

All securities, commodities and other property now or hereafter held, carried or maintained by Pershing in its possession in any of Your accounts may be pledged and re-pledged by Pershing from time to time, without notice to You, either separately or in common with other such securities, commodities and other property for any amount due in Your accounts, or for any greater amount and Pershing may do so without retaining in its possession or control for delivery a like amount of similar securities, commodities or other property.

B.12. Payment of Indebtedness Upon Demand

You shall at all times be liable for the payment upon demand of any Debit Balance or other obligations owing in any of Your accounts with Pershing and You shall be liable to Pershing for any deficiency remaining in any such accounts in the event of the liquidation thereof, in whole or in part, by Pershing or by You; and You shall make payments of such obligations and indebtedness upon demand.

B.13. Liability for Costs of Collection

The reasonable costs and expense of collection of the Debit Balance, recovery of securities and any unpaid deficiency in Your accounts with Pershing, including, but not limited to, attorneys' fees incurred and payable or paid by Pershing, shall be payable to Pershing by You.

B.14. Presumption of Receipt of Communications

Communications may be sent to You at Your current address, which is on file at Pershing's office, or at such other address as You may hereafter give Pershing in writing, or through Your Introducing Financial Organization; and all communications so sent, whether by mail, telegraph, messenger or otherwise, shall be deemed given to You personally, whether actually received or not.

B.15. Scope and Transferability

This Brokerage Agreement shall cover individually and collectively all accounts that You may open or reopen with Pershing and shall inure to the benefit of Pershing's successors whether by merger, consolidation or otherwise, and assigns, and Pershing may transfer Your accounts to its successors and assigns, and this Brokerage Agreement shall be binding upon Your heirs, executors, administrators, successors and assigns.

B.16. Representation as to Capacity to Enter Into Agreement

You, if an individual, represent that You are of full age, that unless otherwise disclosed to Pershing in writing, You are not an employee of an exchange, or of any corporation of which any exchange owns a majority of the capital stock, or of a member firm or member corporation registered on any exchange, or of a bank, trust company, insurance company or of any corporation, firm or individual engaged in the business of dealing either as a broker or as principal in securities, bills of exchange, acceptance or other forms of commercial paper. You further represent that no one except You has an interest in Your Account(s) with Pershing.

B.17. Joint and Several Liability

If "You" shall consist of more than one individual, Your obligations under this Brokerage Agreement shall be joint and several. Each of You has authority, acting individually and without notice to any other Account holder, to deal with Pershing as fully and completely as if the Account holder is the sole Account holder. Pershing is authorized, but not obligated to follow the instructions of any joint Account holder and to deliver funds, securities or other assets in the Account to any joint Account holder or upon any Account holder's instructions.

Pershing is not responsible for determining the purpose or propriety of an instruction Pershing receives from any Account holder or for the disposition of payments or deliveries among joint Account holders. Any notice Pershing sends one Account holder will be notice to all Account holders. You have executed the Joint Account agreement and made the election required therein. Pursuant to that agreement, Pershing may, but is not required to, accept instructions from either joint party.

B.18. Option Transactions

If at any time You shall enter into any transaction for the purchase or sale of an option contract, You hereby agree to first obtain from Your Introducing Financial Organization the then current disclosure statements of the Options Clearing Corporation and further agree to abide by the rules of any national securities association, registered securities exchange or clearing organization applicable to the trading of option contracts and acting alone or in concert, will not violate the position or exercise limitation rules of any such association or exchange or of the Options Clearing Corporation or other clearing organization.

B.19. Assignment of Pershing's Rights Under This Brokerage Agreement to the Introducing Financial Organization

You agree that any rights that Pershing has under this Brokerage Agreement, including but not limited to the right to collect any Debit Balance or other obligations owing in any of Your accounts, may be assigned to Your Introducing Financial Organization so that Your Introducing Financial Organization may collect from You independently or jointly with Pershing, or enforce any other rights granted to Pershing under this Brokerage Agreement.

B. 20. No Professional Advice

You acknowledge that Pershing will not provide You with any legal, tax or accounting advice, that Pershing's employees are not authorized to give any such advice and that You will not solicit or rely upon any such advice from Pershing or Pershing's employees whether in connection with transactions in or for any of Your accounts or otherwise. In making legal, tax or accounting decisions with respect to transactions in or for Your accounts or any other matter, You will consult with and rely upon Your own advisors and not Pershing and Pershing shall have no liability therefore.

B.21. Special Note for Non-U.S. Accounts

With respect to assets custodied by Pershing on Your behalf, income and capital gains or distributions to You from Your Account may be taxable in Your home jurisdiction. Please consult Your tax advisor for the appropriate tax treatment of Your transactions.

B.22. Pershing's Rights to Terminate Account

You understand that Pershing may cease all Corestone Account Services provided to You for any reason, in its discretion, including but not limited to the following: (1) if You exceed Your Available Balance; or (2) if Pershing determines that Your use of the Account is inconsistent with investment purposes; or (3) if Pershing shall determine that it no longer wishes to offer the Corestone Account Services or Corestone Account to You. However, if Pershing ceases to offer the Corestone Account a prorated portion of the annual fee paid will be credited back to Your Account based on the number of months remaining. In the event Your Corestone account is terminated, it will be converted into a brokerage account that will remain subject to the remainder of the Corestone Account Agreement.

B.23. Arbitration Disclosures

THIS BROKERAGE AGREEMENT CONTAINS A PREDISPUTE ARBITRATION CLAUSE. BY SIGNING THE ACCOUNT APPLICATION, WHICH INCORPORATES THIS BROKERAGE AGREEMENT, YOU AND PERSHING AGREE AS FOLLOWS:

- **EACH PARTY TO THIS BROKERAGE AGREEMENT IS GIVING UP**

THE RIGHT TO SUE EACH OTHER PARTY IN COURT, INCLUDING THE RIGHT TO A TRIAL BY JURY, EXCEPT AS PROVIDED BY THE RULES OF THE ARBITRATION FORUM IN WHICH A CLAIM IS FILED.

- **ARBITRATION AWARDS ARE GENERALLY FINAL AND BINDING; A PARTY'S ABILITY TO HAVE A COURT REVERSE OR MODIFY AN ARBITRATION AWARD IS VERY LIMITED.**
- **THE ABILITY OF THE PARTIES TO OBTAIN DOCUMENTS, WITNESS STATEMENTS AND OTHER DISCOVERY IS GENERALLY MORE LIMITED IN ARBITRATION THAN IN COURT PROCEEDINGS.**
- **THE ARBITRATORS DO NOT HAVE TO EXPLAIN THE REASON(S) FOR THEIR AWARD, UNLESS, IN AN ELIGIBLE CASE, A JOINT REQUEST FOR AN EXPLAINED DECISION HAS BEEN SUBMITTED BY ALL PARTIES TO THE PANEL AT LEAST 20 DAYS PRIOR TO THE FIRST SCHEDULED HEARING DATE.**
- **THE PANEL OF ARBITRATORS WILL TYPICALLY INCLUDE A MINORITY OF ARBITRATORS WHO WERE OR ARE AFFILIATED WITH THE SECURITIES INDUSTRY.**
- **THE RULES OF SOME ARBITRATION FORUMS MAY IMPOSE TIME LIMITS FOR BRINGING A CLAIM IN ARBITRATION. IN SOME CASES, A CLAIM THAT IS INELIGIBLE FOR ARBITRATION MAY BE BROUGHT IN COURT.**
- **THE RULES OF THE ARBITRATION FORUM IN WHICH THE CLAIM IS FILED, AND ANY AMENDMENTS THERETO, SHALL BE INCORPORATED INTO THIS BROKERAGE AGREEMENT.**

B.24. Arbitration Agreement

ANY CONTROVERSY BETWEEN YOU AND PERSHING SHALL BE SUBMITTED TO ARBITRATION BEFORE THE FINANCIAL INDUSTRY REGULATORY AUTHORITY.

NO PERSON SHALL BRING A PUTATIVE OR CERTIFIED CLASS ACTION TO ARBITRATION, NOR SEEK TO ENFORCE ANY PREDISPUTE ARBITRATION AGREEMENT AGAINST ANY PERSON WHO HAS INITIATED IN COURT A PUTATIVE CLASS ACTION; OR WHO IS A MEMBER OF A PUTATIVE CLASS WHO HAS NOT OPTED OUT OF THE CLASS WITH RESPECT TO ANY CLAIMS ENCOMPASSED BY THE PUTATIVE CLASS ACTION UNTIL; (I) THE CLASS CERTIFICATION IS DENIED; (II) THE CLASS IS DECERTIFIED; OR (III) THE CUSTOMER IS EXCLUDED FROM THE CLASS BY THE COURT. SUCH FORBEARANCE TO ENFORCE AN AGREEMENT TO ARBITRATE SHALL NOT CONSTITUTE A WAIVER OF ANY RIGHTS UNDER THIS BROKERAGE AGREEMENT EXCEPT TO THE EXTENT STATED HEREIN.

DISCLOSURE OF CREDIT TERMS

B.25. Cash Accounts

Cash accounts may be subject, at Pershing's discretion, to interest on any Debit Balances resulting from failure to make payment in full for securities purchased, from proceeds of sales paid prior to settlement date or for other charges that may be made to the Account.

B.26. Margin Accounts

Purchases of securities on credit, commonly known as margin purchases, enable You to increase the buying power of Your equity and thus increase the potential for profit or loss. A portion of the purchase price is deposited when buying securities on margin and Pershing extends credit for the remainder. This loan appears as a Debit Balance on Your monthly statement of Account. Pershing charges interest on the Debit Balance and requires You to maintain securities, cash or other property to secure repayment of funds advanced and interest due.

Interest will be charged for any credit extended to You for the purpose of buying, trading or carrying any securities, for any cash withdrawals made against the collateral of securities, or for any other extension of credit. When funds are paid in advance of settlement on the sale of securities, interest will be charged on such amount from date of

payment until settlement date. In the event that any other charge is made to the Account for any reason, interest may be charged on the resulting Debit Balances. You authorize Pershing to transfer securities held in Your cash account to Your margin account, provided You have signed the appropriate sections of the Corestone Application for the purpose of effecting the intent of this Agreement.

B.27. Interest Rates

Interest charged on any Debit Balances in cash accounts or credit extended in margin accounts may be up to 3.00 percentage points above the Pershing Base Lending Rate. The Pershing Base Lending Rate will be set with reference to commercially recognized interest rates, industry conditions relating to the extension of credit and general credit market conditions. The Pershing Base Lending Rate will change without prior notice. When the Pershing Base Lending Rate changes during an interest period, interest will be calculated according to the number of days each rate is in effect during that period. If the rate of interest charged to You is changed for any other reason, You will be notified at least 30 days in advance.

B.28. Interest Period

The interest period begins on the 20th of each month and ends on the 19th of the following month. Accordingly, the interest charges for the period as shown on Your monthly statement are based only on the daily net debit and credit balances for the Interest Period.

B.29. Method of Interest Computation

At the close of each Interest Period during which credit was extended to You, an interest charge is computed by multiplying the average daily Debit Balance by the applicable schedule rate and by the number of days during which a Debit Balance was outstanding and then dividing by 360. If there has been a change in the Pershing Base Lending Rate, separate computations will be made with respect to each rate of charge for the appropriate number of days at each rate during the Interest Period. The interest charge for credit made to Your Account at the close of the Interest Period is added to the opening Debit Balance for the next Interest Period unless paid.

With the exception of credit balances in Your short account, all other credit and Debit Balances in all of Your accounts will be combined daily and interest will be charged on the resulting average daily net Debit Balances for the interest period. If there is a debit in the cash account (type 1) and there is a margin account (type 2), interest will be calculated on the combined Debit Balance and charged to the margin account. Any credit balance in the short account is disregarded because such credit collateralizes the stock borrowed for delivery against the short sale. Such credit is disregarded even if You should be long the same position in Your margin account (i.e., short against the box).

If the security that You sold short (or sold short against the box) appreciates in market price over the selling price, interest will be charged on the appreciation in value. Correspondingly, if the security that You sold short depreciates in market price, the interest charged will be reduced since Your average Debit Balance will decline. This practice is known as "marking-to-market." The daily closing price is used to determine any appreciation or depreciation of the security sold short.

If Your Account is short shares of stock on the record date of a dividend or other distribution, however such short position occurs, Your Account will be charged the amount of dividend or other distribution on the following Business Day.

B.30. General Margin Policies

The amount of credit that may be extended by Pershing and the terms of such extension are governed by rules of the Federal Reserve Board and the Financial Industry Regulatory Authority. Within the guidelines of these rules and subject to adjustment required by changes in such rules and Pershing's business judgment, Pershing establishes

certain policies with respect to margin accounts. If the market value of securities in a margin account declines, Pershing may require the deposit of additional collateral. Margin account equity is the current market value of securities and cash deposited as security less the amount owed Pershing for credit extended at its discretion. It is Pershing's general policy to require margin account holders to maintain equity in their margin accounts of the greater of 30% of the current market value or \$3.00 per share for common stock purchased on margin. Pershing applies other standards for other types of securities. For example, securities may be ineligible for margin credit from time to time. For information with respect to general margin maintenance policy as to municipal bonds, corporate bonds, listed United States Treasury notes and bonds, mutual funds, and other securities, as well as information about the eligibility of particular securities for margin credit, please contact Your Introducing Financial Organization. Notwithstanding the above general policies, Pershing reserves the right, at its discretion, to require the deposit of additional collateral and to set required margin at a higher or lower amount with respect to particular accounts or classes of accounts as it deems necessary. In making this determination, Pershing may take into account various factors including but not limited to (i) issues as to Your securities such as, among others, the liquidity of a position and concentrations of securities in an Account, (ii) considerations as to Your status, including but not limited to a decline in creditworthiness, (iii) the size of the Account, (iv) the general condition of the market, (v) considerations as to the ability of Pershing to obtain financing, and (vi) regulatory interpretations or guidance. If You fail to meet a margin call in a timely manner, some or all of Your positions may be liquidated.

B.31. Deposits of Collateral, Lien on Accounts and Liquidation

In the event that additional collateral is requested, You may deposit cash or acceptable securities into Your margin account. If satisfactory collateral is not promptly deposited after a request is made, Pershing may, at its discretion, liquidate securities held in any of Your accounts. In this connection, pursuant to this Brokerage Agreement, Pershing retains a security interest in all securities and other property held in Your accounts, including securities held for safekeeping, so long as any credit extended remains outstanding.

B.32. Callable Securities

Securities which are held for Your Account and which are in "street name," or are being held by a securities depository, are commingled with the same securities being held for other customers of Introducing Financial Organizations and for Pershing's own customers. Your ownership of these securities is reflected in Pershing's records. You have the right at any time to require delivery to You of any such securities that are fully paid for or are in excess of margin requirements.

The terms of many bonds allow the issuer to partially redeem or "call" the issue prior to maturity date. Certain preferred stocks are also subject to being called by the issuer. Whenever any such security being held by Pershing is partially "called," Pershing will determine through a random selection procedure as prescribed by the New York Stock Exchange rules, the ownership of the securities to be submitted for redemption. In the event that such securities owned by You are selected and redeemed, Your Account will be credited with the proceeds.

Should You not wish to be subject to this random selection process, You must instruct Your Introducing Financial Organization to have Pershing deliver Your securities to You. Delivery will be effected provided, of course, that Your position is unencumbered or had not already been called by the issuer as described, prior to receipt by Pershing of Your instructions. The probability of one of Your securities being called is the same whether they are held by You or by Pershing for You.

B.33. Options Exercise Assignments

Exercise assignment notices for options contracts are allocated among short positions pursuant to a procedure that randomly selects from all

short options positions, including positions established on the day of the assignment, those contracts that are subject to exercise. A more detailed description of this random allocation procedure is available on request. All short options positions are liable for assignment at any time.

B.34. Lost Securities

If Your periodic customer statement indicates that securities were forwarded to You and You have not received them, You should notify Your Introducing Financial Organization or Pershing immediately. If notification is received within 120 days after the mailing date, as reflected on Your periodic statement, replacement will be made free of charge. Thereafter, a fee for replacement may apply.

B.35. Loan Consent

By signing the Corestone Account Application, which incorporates this Agreement, You acknowledge that securities not fully paid for by You may be loaned to Pershing or loaned out to others, and as permitted by law, certain securities in Your Account, may be used for, among other things, settling short sales and lending the securities for short sales, and as a result Pershing and Your Introducing Financial Organization may receive compensation in connection therewith. Pershing does not lend fully paid for securities without Your written permission. Please contact Your Introducing Financial Organization with any questions. Fully paid for securities held in a cash account (unless otherwise agreed in a separate written agreement) and fully paid for securities held in a margin account in which there is no Debit Balance are not loaned.

B.36. Shareholder Vote of Loaned Securities

In the event Your securities have been loaned by Pershing on the record date of a shareholder vote involving those securities, You agree that Your vote may be reduced to reflect the total amount of Your securities loaned by Pershing.

B.37. No Waiver

This Brokerage Agreement cannot be modified by conduct and no failure on the part of Pershing at any time to enforce its rights hereunder to the greatest extent permitted shall in any way be deemed to waive, modify or relax all of the rights granted Pershing herein, including those rights vested in Pershing to deal with collateral on all loans advanced to You.

B.38. Governing Law

Except where specified, this Brokerage Agreement shall be governed by the laws of the State of New York and the United States of America, as amended.

B.39. Amendments

You agree that Pershing shall have the right to amend this Brokerage Agreement, by modifying or rescinding any of its existing provisions by adding any new provision, at any time by sending notice of the amendment to You. An amendment shall be effective as of the date established by Pershing. If Pershing or Your Introducing Financial Organization make any changes to this Brokerage Agreement that will affect You adversely (by increasing costs or liability to You, or limiting access to Your Account), Pershing and/or Your Introducing Financial Organization will notify You prior to the change as required by law. The change will automatically become effective unless, prior to the effective date, You notify Pershing and/or Your Introducing Financial Organization of Your intention to terminate this Brokerage Agreement. Pershing reserves the right to make emergency changes for security reasons, without prior written notice to You. You understand additional restrictions may apply to the brokerage services provided hereunder and additional documentation may be required by applicable law or Pershing's policies and procedures. You agree to promptly comply with any such restrictions and requests for additional documents. You understand there may be additional documentation required by applicable law or the policies and procedures of Pershing or Your

Introducing Financial Organization. You agree to promptly comply with any such requests for additional documents.

SECTION C — BANKING SERVICES AGREEMENT

C.1. General Features of Banking Services

C.1.a. Available Balance. Your Available Balance may fluctuate from day to day because it is dependent upon changes in the balance in Your Account. Shortly after Administrator is notified of a Transaction, the Available Balance is reduced, not when a sales draft or Cash Advance draft is paid. For example, Your Account may be debited (and Available Balance reduced) on the day an item is presented by electronic or other means, or at an earlier time based on notification received by Us that an item drawn on Your Account has been deposited for collection at another financial institution.

You promise not to make a Transaction (such as making a Card Purchase or writing a Check) that exceeds Your Available Balance. If You attempt to make a Card Transaction that will exceed Your Available Balance, the Card Transaction will normally be declined. In addition, a fee may be applied for returned checks, ACH and BillSuite™ transactions.

C.1.b. Payment for Transactions. On a daily basis, Administrator will notify Pershing of the Transactions on Your Account that Administrator receives. Pershing will make payments to Bank (via Administrator) on Your behalf on each Business Day that Pershing receives notice of the Transactions.

You authorize Pershing to charge Your Account in order to pay for Transactions. Each Transaction shall be considered to be Your direction to Us to charge or reduce Your Available Balance. The Available Balance comprises the following three components (and Pershing will make payments for the charges in the following order of priority): (1) any free credit balances in Your Account; (2) the net asset value of the shares in the Funds; (3) the available margin loan value of securities in the Account (if Your Corestone Account is established as a margin account). When You use Your Card, the charge or reduction to Your Available Balance occurs immediately and You understand that You have no right to stop payment on any Card Transaction. See the Stop Payment — Checks section below to learn how to stop payments on Checks You have written. You understand that Card Authorizations will reduce Your Available Balance by the amount of the Card Authorization even if the Card Authorization does not result in a Transaction. Note that a Card Authorization will reduce Your Available Balance until the Transaction is completed in whole or in part, or after the expiration of a time period specified by Us.

If there is more than one person who is authorized to sign on the Account, You authorize Us to pay Card drafts on the authority of any one or more of the signatures of the individuals identified and carried on the Account record. See below for more information about joint Accounts.

C.1.c. Unauthorized Use. You promise not to let any unauthorized person make a Transaction. If You permit an unauthorized person to make a Transaction(s), even if the amount of actual use exceeds the amount You authorized, You will be responsible for the full amount of all Transaction(s) that result.

C.1.d. Account Statements. Pershing will send or make available to You an Account statement every month in which a Transaction was made. In any event, You will receive an Account statement at least quarterly. Your Account statements will include the following information for Card Transactions: the amount, location, Transaction date, posting date and merchant name (when available). In addition, Your Account statement will include Your Check writing and ACH activity during the period covered by the statement. Transactions from Your Account may appear on the day after the Business Day the transaction took place. Neither Bank nor Administrator will send You separate statements listing Transactions.

C.1.e. Your Duty to Examine Your Statement — Checks. As used in this section, the term “problem” means any error, alteration or unauthorized Transaction (including, but not limited to, forged or missing signatures,

unauthorized wire transfers, and excluding Electronic Fund Transfers) related to any Check Transaction(s) for Your Account. Because You are in the best position to discover any problem, You will promptly examine Your statement and report to Us any problem on or related to Your statement. You agree that none of Us will be responsible for any problem related to a Check Transaction that:

- You do not report to Pershing in writing within a reasonable time not to exceed 20 calendar days after Pershing mails the statement (or makes the statement available) to You; or
- Results from a forgery, counterfeit or alteration so clever that a reasonable person cannot detect it (for example, unauthorized Checks made with Your facsimile signature device or that look to an average person as if they contain an authorized signature); or
- As otherwise provided by law or regulation.

You may not start a legal action against any of Us because of any problem unless: (a) You have given Us the above notice and (b) the legal action begins within one year after We send or make Your statement available to You. If You make a claim against any of Us in connection with a problem, each of Us reserves the right to conduct a reasonable investigation before crediting Your Account, and You agree to cooperate in such investigation. If any of Us requests, You agree to complete an affidavit of forgery or other proof of loss. If You refuse to sign such an affidavit, none of Us will be liable to You for any loss arising from the problem. For problems involving an electronic banking transaction, please refer to the “Electronic Fund Transfers” sections of this Agreement.

These time periods for You to examine Your statement and report “problems” to Pershing are without regard to the level of care of any of Us or the commercial reasonableness of Our practices, further without regard to whether copies or images of cancelled Checks are supplied or made available to You. Contact Pershing promptly if You do not receive Your regular statement.

C.1.f. Your Duty to Examine Your Statement — Cards. Please see the section below entitled “Electronic Fund Transfers.”

C.1.g. Your Duty to Examine Your Statement — ACH Transactions. Generally, ACH Transactions for consumer accounts are considered Electronic Fund Transfers. Please see the section below entitled “Electronic Fund Transfers.” For other ACH Transactions, please see “Your Duty to Examine Your Statement — Checks” above. Also, for ACH Transactions related to electronically represented Checks from consumer accounts, please see the subsection entitled “Consumer Electronic Check Representation.”

C.1.h. Foreign Transactions. Foreign Transactions are Card Transactions completed outside the United States through Your Account. All debits to Your Account will be posted in U.S. dollars. Checks will generally not be accepted by banks outside of the United States. All Checks must be made payable in U.S. dollars.

C.1.i. Foreign Currency. Card Transactions made in a foreign currency are converted into U.S. dollar amounts by Visa, using its then current currency conversion procedure and rate. Currently, the currency conversion rate is generally either a wholesale market rate or a government-mandated rate in effect the day before the Card Transaction processing date. The currency conversion rate used on the processing date may differ from the rate in effect on the Card Transaction date or periodic statement posting date.

C.1.j. Foreign Transaction Fee. For each Foreign Transaction, there is a foreign transaction fee, which will be charged to Your Account. This charge may apply whether or not there is a currency conversion. The Foreign Transaction fee is set forth on the Financial Terms Card.

C.1.k. Documentation. We may add images of Your application with respect to the Banking Services provided in connection with this Banking Services Agreement to Our electronic document storage systems. After

doing so, the original documents may be destroyed. Any future copy from that system will be acceptable for all purposes as if it is the original.

C.1.I. Adverse Claims. If any of Us receives a claim to all or a portion of Your Account (including but not limited to a dispute over who is an authorized signer or owner), We may place a hold on funds that are the subject of the claim. The hold may be placed for the time that We feel is reasonably necessary to allow a court to decide who should have the funds. None of Us will be responsible for any items that are not paid because of the hold. You agree to reimburse each of Us for expenses, including attorneys' fees and expenses, arising out of such competing claims.

C.2. Card Transactions

C.2.a. Conveniences.

ATM Withdrawals: You can use Your Card to withdraw cash from Your Account at ATMs displaying the Visa or PLUS® logos.

Cash Advances: You can use Your Card to receive Cash Advances from Your Account through financial institutions that honor Cards bearing the Visa logo.

Purchases/Card Authorizations: You can use Your Card to purchase goods and services (Purchases) from merchants honoring Visa. You may also use Your Card to authorize others to place a hold on Your Available Balance to assure future payment (Card Authorizations).

C.2.b. Out-of-Network Surcharges. An out-of-network surcharge may be imposed for ATM usage (including Transactions and balance inquiries) by the owner of the ATM. No out-of-network surcharges are imposed by any of Us for usage of Your Card at an ATM.

C.2.c. Cancellation of Card. The Card may be cancelled by any of Us at any time without prior notice and will remain the property of Bank. Without limiting the foregoing, Your Card will be cancelled effective with the closing of Your Account.

C.2.d. Restrictions.

Purchasing Securities: You may not use Your Card to purchase securities.

Internet Gambling: You may not use Your Card for internet gambling.

Illegal Activities: Use of Your Card for illegal activities is prohibited.

C.3. Check Writing Privileges

C.3.a. Check Writing Application and Checks. If You have requested Check writing privileges for Your Account, Pershing must first approve Your application. Upon such approval, We will provide You with Checks.

We may refuse any withdrawal that You attempt on forms not approved by Us or by any method We do not specifically permit.

Each Check must be properly completed and signed by an authorized signer (as described below).

In writing Checks, We strongly suggest that You date them with a current date. We will not have liability to You for paying Checks which are postdated, stale dated or do not bear a date. If You do not wish Us to pay a Check You have issued, You should place a stop-payment order with Us. Please refer to the "Stop Payment — Checks" section of this Agreement.

C.3.b. Authorized Signers. In this Banking Services Agreement, the words "authorized signer" mean any of the following persons:

- Any person (other than a ward, conservatee or beneficiary) listed on a signature card, application, resolution or certificate of authority as being authorized to make withdrawals by Check, or otherwise, from Your Account;
- Any person who has a "power of attorney" or is an attorney-in-fact, agent, guardian, personal representative, trustee, custodian or some other fiduciary capacity (collectively, an "agent") to act for an owner (Pershing reserves the right to request and approve any such documentation, granting such powers);

- Any person that You authorize in writing to make withdrawals by Check, or otherwise, from Your Account; or
- Any person to whom You make Your Checkbook or Your Checking account number available.

The words "owner" and "owners" mean all persons (other than a ward, conservatee or beneficiary) listed on a signature card or application but not persons who are authorized signers only because they are acting as an agent. Each of Administrator and Bank is authorized to follow the directions of Your agent regarding Your Account until they receive written notice that the agency or fiduciary relationship has been terminated and has had reasonable time to act upon that notice. We will not be liable to You in any way if Your agent misapplies any of the funds from Your Account. We have the right to review and retain a copy of any power of attorney, agency agreement, trust agreement, court order or other document that has established the agency or other fiduciary relationship. For corporate, limited liability company, and partnership accounts, the corporation, limited liability company or partnership is the "owner."

C.3.c. Multiple Required Signature Accounts. If You (a) have specified that some or all Checks must be signed by more than one person, (b) have specified that the authorized signers for Checks in one category are different than those for another Check category, or (c) use Checks that require multiple signatures, You acknowledge that those restrictions are for Your internal use only and do not bind Us even if You have made Us aware of them in writing or otherwise. Pershing reserves the right to refuse to allow persons to open Accounts with these types of restrictions.

C.3.d. Facsimile/Mechanical Signatures. You may wish to use a facsimile signature stamp or other mechanical signature device to sign Checks or other orders relating to Your Account. If You do, We will, without contacting You, debit the Account for items bearing an imprint that looks substantially like Your authorized mechanical signature, whether or not such items bear the actual facsimile signature stamp. You agree to notify Us and give Us a sample imprint if You plan to use such a device. If You do not give Us a sample, this section still applies to Your use of the device. You are responsible for the security of any mechanical signature device. We will not be responsible for payment of unauthorized items bearing an imprint from, or similar to, Your authorized mechanical signature.

C.3.e. Check Transactions. Checks can be used for, or may result in, the following Transactions:

- Check writing capabilities; and
- Electronic Fund Transfers (e.g., certain Transactions via the Automated Clearing House).

C.3.f. Copies of Cancelled Checks. We will not return to You Checks that have been paid against Your Account. At Your request We shall provide You with photocopies or image copies of Checks paid against the Account or other Account documentation, if such Checks or documents are available to Us under Our record retention policies. If You request a copy, We may impose a processing fee.

C.3.g. Refusing Payment on Your Checks. If one of Your Checks is presented for payment and there are not sufficient available funds available in Your Account, or if the Check is not properly signed or contains some other irregularity, We may refuse payment and return the Check to the person who presented it. You acknowledge that it is difficult or impossible for Us to verify whether an endorsement by a corporation or other business entity is valid. You also acknowledge that it is difficult or impossible for Us to verify whether an endorsement by someone other than the person presenting a Check for payment is valid.

C.3.h. Stop Payments — Checks

Checks. Unless otherwise provided, the provisions in this section cover stopping payment of Checks. Rules for stopping payment of other types

of transfers of funds, such as consumer Electronic Fund Transfers, are mentioned elsewhere.

Oral and Written Orders. You are generally permitted to make stop-payment orders orally; telephone is the most common medium used. To request a stop payment, please call Us at (800) 547-7008. When You place Your stop-payment order, the service representative will tell You what information is needed to stop payment. If You provide Your stop-payment order in writing, You must send it to the address on page 2 of this Agreement. You must provide the following information to Us: Check Writing number; amount; Check number; name of party to be paid; date; and Your name and address. The stop-payment information must be correct and exact. If Your information is not correct and exact, We cannot assure You that Your order will be effective, and We will not be responsible for failure to stop payment.

Who and for How Long. You may stop payment on any Check whether You sign the item or not. Your stop-payment order is generally effective for only six months. We are not obligated to notify You when a stop-payment order expires. Unless You renew the stop payment for another six months, the Check may be paid even though it is a stale Check. We will accept stop-payment orders from any person with signing authority on Your Account, regardless of who wrote the Check. If You want to reverse a stop-payment request You must contact Pershing, not Administrator or Bank. As a security measure, Administrator and Bank will accept reverse of stop-payment requests only from Pershing.

Indemnity. If You stop payment on an item and any of Us incurs any damages or expenses because of the stop payment, You agree to indemnify Us for those damages or expenses, including attorneys' fees. You assign to each of Us all rights against the payee or any other holder of the item. You agree to cooperate with Us in any legal actions that We may take against such persons. You should be aware that anyone holding the item might be entitled to enforce payment against You despite the stop-payment order.

If a Check or Transaction is inadvertently permitted despite a stop order, the following rules will apply:

- You will have to prove to Administrator and Bank that You have suffered a loss and, if so, the amount of the loss;
- Administrator and Bank will be able to enforce any rights that the original payee or any other person who held the Check had against You; and
- the Account will not be recredited until You prove Your loss and We are satisfied that We are required by law to do so.

Effective Date. Stop-payment orders become effective the Business Day after We receive Your notification. The law provides additional limitations on Administrator's and Bank's obligation to stop payment. (For example, You cannot stop payment on an item that has already been paid.)

Charges. Stop-payment orders are subject to Our current charge for that Banking Service.

C.3.i. Inconsistent Amounts. Checks are processed by computers. The Check amount in numerals is the one encoded on the Check to be read by the computer. You agree that if the Check amount in words is different from the amount in numbers, We may charge against Your Account the amount in numbers instead of the amount in words.

C.3.j. Consumer Electronic Check Representation. Generally, if You write a Check on a personal Account that is returned unpaid because of insufficient or uncollected funds, the depositor of the Check or the depositor's bank may resend ("represent") the Check electronically. That is, the depositor or the depositor's bank may send Bank an electronic instruction ("electronic represented Check") to charge Your Account in the amount of the Check.

C.3.k. Handling of Electronic Represented Checks. If Administrator receives an electronic represented Check from the depositor or the depositor's bank via Bank, Administrator will pay or return the

electronic represented Check as if the original paper Check were being represented to it. The part of this Agreement titled "Electronic Fund Transfers" will not apply to any electronic represented Check.

C.3.l. Eligible Electronic Represented Checks. For an electronic represented Check to be charged to Your Account, all of the following must be true:

- the electronic represented Check must relate to a paper Check on a personal account that Bank returned unpaid because of insufficient or uncollected funds;
- the paper Check must not have contained an unauthorized signature or an alteration and must not have been a counterfeit;
- You must not have placed a stop payment on the paper Check after Bank returned it unpaid but before it was collected electronically;
- the paper Check must have been less than \$2,500.00 in amount;
- the paper Check must have been dated 180 days or less before the date on which the electronic represented Check is sent to Bank;
- the electronic re-presented Check must be for the face amount of the paper Check only and may not include any collection fee charged by the depositor, the depositor's bank, or a collection agency;
- the payee of the paper Check must have given You notice that, if the paper Check was returned unpaid because of insufficient or uncollected funds, the paper Check could be collected electronically;
- the electronic represented Check must have been sent to Bank no more than twice after the first time Bank returned the paper Check, or no more than once after the second time Bank returned the paper Check;
- the electronic represented Check must be an "item" as defined in Revised Article 4 of the UCC (1990 Official Text);
- the electronic represented Check must contain a pre-printed serial number;
- the electronic represented Check must indicate on the face of the document that the item was returned due to "not sufficient funds," "NSF," "uncollected funds" or comparable language; and
- the electronic represented Check must be drawn on a consumer account.

You may have the right to cause Us to reverse any ineligible or unauthorized electronic represented Check that We charged to Your Account. If You want to reverse an electronic represented Check because You placed a stop payment on the paper Check to which the electronic represented Check relates after Bank returned the paper Check unpaid but before it was collected electronically, You must notify Pershing within 15 days after We send or make available to You the periodic statement that reflects payment of that electronic represented Check. If You want to reverse an electronic represented Check for any other reason, You must give Pershing an affidavit within 15 days after Pershing sends or makes available to You the periodic statement that reflects payment of that electronic represented Check. In Your affidavit, You must declare and swear under oath that the electronic represented Check was ineligible or unauthorized. If We receive Your notice or affidavit within the 15-day period, We will recredit Your Account with the amount of the charge. Write to Pershing at the address on page 2 of this Agreement.

C.3.m. Stop Payment. If You wish to stop payment of any electronic represented Check, You must follow the procedures contained in the section for stopping payment of Checks, not the procedures contained in the section for stopping payment on Electronic Fund Transfers.

C.3.n. Insufficient Funds. If one of Your Checks is presented for payment and there are not sufficient funds available in Your Account, Pershing may cause Bank (via Administrator) to pay or refuse to pay any or all such items in Our discretion. We may also charge Your Account a service charge, regardless of whether We pay the item or return the item unpaid. You have no right to request that any certain item be paid, and none of Us

has any responsibility for paying or returning any item requested. If Your Account is overdrawn for any reason, You agree to deposit sufficient funds to cover the overdraft and Our service charge immediately.

A determination of Your Account Balance for purposes of making a decision to dishonor an item for insufficiency of available funds may be made at any time between the receipt of such presentment or notice and the time of payment or return of the item or debit, and no more than one such determination need be made. Pershing will determine Your Account Balance based on information provided from time to time by Administrator, which may not be accurate at the time a particular item is presented to Administrator. You authorize Administrator and/or Bank to return items for insufficient funds based on information provided by Pershing.

If there are sufficient funds to cover some but not all of Your Transactions, Pershing will allow those Transactions that can be paid, in any order convenient to Us. If, in Our sole discretion, We choose to allow Transactions for which there are not sufficient available funds, You agree to repay Us immediately the amount of the funds advanced to You. We may also assess Your Account a service charge. At no time shall We be required to allow You to overdraw Your Account even if We had allowed such activity on one or more prior occasions.

You agree that We do not have to notify You when We refuse to pay a Check You have written, or if We pay a check that overdraws Your Account, or when We impose a fee in either case.

C.3.o. Use of Check Images and Substitute Checks. You agree that We may debit Your Account for a Check image of an original Check presented for payment or collection. In this situation, We may debit Your Account without receipt of, or review of, the original Check associated with the Check image. In Our sole discretion, We may return to a presenting bank, returning bank or paying bank or credit to Your Account, a paper copy or paper representation of an original Check (including without limitation an image replacement document or IRD, or a photocopy) drawn on or returned to Your Account that does not otherwise meet the technical or legal requirements for a substitute Check.

You agree that a check image that is received or created by Bank in the Check deposit, collection or return process shall be considered a "Check" and/or an "item" for all purposes under this Agreement and applicable law.

In addition, a Check that You write may be truncated in the Check collection process and replaced with a substitute Check. You authorize Us to pay, process or return a substitute Check in the same manner as "Check" or "item" under this Agreement. Substitute Checks are governed under the Check Clearing for the 21st Century Act ("Check 21 Act") and the terms of this Agreement, to the extent not modified by the Check 21 Act. Notwithstanding the foregoing, You understand that Your Checks are drawn on an omnibus account maintained by Administrator (on behalf of Pershing) with Bank, and that as a result, You are not considered a "consumer" as that term is used in the Check 21 Act.

You agree to indemnify and hold harmless Us, Our employees and agents from any loss, claim, damage or expense that You or any other person may incur directly or indirectly as a result of any action taken by Us to process a Check image or substitute Check instead of the original Check, including the destruction of the original Check, as described above, to the extent permitted by applicable law.

C.3.p. Bank Branches. Bank need not pay any Check presented at a branch office. Bank reserves the right to refuse to cash or to impose a charge on anyone who asks Bank to cash a Check that You have written. Even if Your Check is otherwise properly payable, We will not be liable to You for dishonor of Your Check, or otherwise, as a result of such refusal.

C.4. Electronic Fund Transfers

This section applies to funds transfers governed by the Electronic Fund Transfer Act and Regulation E (Subpart A), and some additional transactions that are similar and related.

C.4.a. Types of Electronic Fund Transfers

Card Transactions. See the section above entitled Card Transactions — Conveniences for the types of Electronic Fund Transfers You can make with Your Card.

Check Transactions—Electronic check conversions. You may authorize a merchant or other payee to make a one-time electronic payment from Your Account using information from Your Check to:

- Pay for purchases
- Pay bills.

C.4.b. Limits on Dollar Amount of Card Transactions. The ATM You use may have limits on the amount of cash that can be received at that machine. These limits may include transactional and daily limits. We have a \$500.00 maximum for Silver Plus, \$1,500.00 for Gold and \$3,000.00 for Platinum withdrawal amount for ATM withdrawals per Banking Day, subject to Available Balance in Your Account. Limits may be changed by Us at any time and, if required by law, with advance notice. Sometimes a temporary \$500.00 limit per Banking Day may be imposed for security purposes or when the Card Transaction volume in Your Account exceeds normal conditions. There may be other limitations stated in this Agreement or in other agreement(s) between You and Pershing and You and Your Introducing Financial Organization.

Your Card may be used up to the Available Balance to withdraw from Your Account. However, there are thresholds that will require additional security verification. The thresholds are as follows: \$20,000.00 for Silver Plus, \$25,000.00 for Gold and \$30,000.00 for Platinum Card Transaction limit per day. ATM Withdrawals, Cash Advances, Purchases and Card Authorizations all count against these Card Transaction limits. In addition, there is a single Cash Advance Transaction threshold and a daily Cash Advance Transaction limit of \$20,000.00 for Silver Plus, \$25,000.00 for Gold and \$30,000.00 for Platinum per Banking Day.

C.4.c. Limits on Frequency of Card Transactions. In addition to the dollar amount limits, We reserve the right to impose a limit on the number of Card Transactions You can make on any Banking Day. For the purposes of maintaining security, We will not disclose that limit, except that You will be allowed to make at least five Card Transactions on any Banking Day under normal conditions.

C.4.d. Retention of the Card. Your Card may be retained by any ATM, merchant or participating financial institution if:

- the PIN is wrong after three attempts (certain ATMs may limit You to fewer attempts) or;
- You exceed the limits on dollar amounts and/or frequency of Transactions or;
- Your Card was reported lost or stolen or;
- Your Account has been closed or;
- Your Card expired or was replaced or;
- the machine is not operating properly or;
- there are other legitimate business reasons.

C.4.e. Preauthorized ACH Transactions.

Preauthorized ACH Credits. If You have arranged to have direct deposits made to Your Account at least once every 60 days from the same person or company, the person or company making the deposit should tell You every time they send Us the money. You can call Pershing at (800) 547-7008 to find out whether or not the deposit has been made.

Preauthorized ACH Payments — Stop Payment. If You have told Us in advance to make regular payments out of Your Account, You can stop any of these payments. Here's how:

General. Call Us at (800) 547-7008, or write Pershing at Pershing LLC, One Pershing Plaza, Asset Management Account Department,

Jersey City, New Jersey 07399, in time for Us to receive Your request 3 Business Days or more before the payment is scheduled to be made. If You call, We may also require You to put Your request in writing and which must be received by Us within 14 days after You call. (We may charge You a fee for each stop-payment order You give.)

Notice of varying amounts. If these regular payments may vary in amount, the person You are going to pay should tell You, 10 days before each payment, when it will be made and how much it will be.

Liability for failure to stop payment of preauthorized transfer. If You order Us to stop one of these payments three Business Days or more before the transfer is scheduled, and We do not do so, We will be liable for Your losses or damages.

C.4.f. Lost or Stolen Cards or Unauthorized Transactions for Your Protection—Notify Us Promptly. You must tell Us AT ONCE if You believe Your Card has been lost or stolen or if You believe that an Electronic Fund Transfer has been made without Your permission using information from Your Check. Telephoning is the best way of keeping Your possible losses down. The loss, theft or unauthorized use of Your Card could cause You to lose all of the cash assets (Your Free Credit Balance and Fund shares) in Your Account, plus any amount up to the Available Margin Loan Value of Your marginable securities. You will not be liable for unauthorized use of Your Card that occurs after You tell Us about the loss, theft or unauthorized use of Your Card.

You will have zero liability for unauthorized use of Your Card if the conditions set forth below have been met. Zero liability will apply only if:

- You report the loss or theft of Your Card within 24 hours of discovering it lost or stolen; and
- You can demonstrate that You have exercised reasonable care in safeguarding Your Card from risk of loss or theft; and
- You have not reported two or more incidents of unauthorized use to Us within the preceding 12 months; and
- Your Account is in good standing.

If the above conditions have not been met, and You tell Us within two Business Days after You learn of the loss or theft of a Card or PIN, You can lose no more than \$50.00 if someone used Your Card or PIN without Your permission.

TO PROTECT YOUR ACCOUNT AND LIMIT YOUR LIABILITY, WE RECOMMEND THAT YOU:

- **DO NOT PROVIDE ANYONE WITH YOUR PIN;**
- **DO NOT WRITE YOUR PIN ON THE CARD;**
- **DO NOT CARRY YOUR PIN IN YOUR WALLET WITH THE CARD AND**
- **DO NOT TELL ANYONE YOUR PIN, NOT EVEN SOMEONE FROM ADMINISTRATOR, BANK OR PERSHING.**

If You do NOT tell Us within two Business Days after You learn of the loss or theft of Your Card or PIN, and We can prove We could have stopped someone from using Your Card or PIN without Your permission if You had told Us, You could lose as much as \$500.00. With respect to ACH Transactions, You will generally not be liable for Unauthorized Transactions unless You fail to notify Us within the time period as described in the next paragraph.

If You do not tell Pershing within 60 days after the statement was FIRST mailed or made available to You, You may not get any money You lost after the 60 days if We can prove that We could have stopped someone from taking the money if You had told Pershing in time.

C.4.g. Errors and Questions. In case of errors or questions about your Electronic Fund Transfer, please contact Pershing at the address and phone number stated on page 1 of this Agreement immediately, if You think Your statement or receipt is wrong or if You need more information about a transfer listed on the statement or receipt. Pershing must hear

from You no later than 60 days after Pershing sent or made available the FIRST statement on which the problem or error appeared.

Information to Provide. If You tell Us orally, We may require You to send Administrator Your complaint or question in writing within 10 Business Days. We will need the following information:

- Your name, Your Account number, Your address, and the date of the Transaction;
- A description of the error or Transaction in question, explaining as clearly as possible why You believe it is an error or why You need more information;
- The dollar amount of the Transaction and, if different, the amount of the suspected error.

Timing of Error Resolution Process. Except as otherwise stated in this Agreement, We will determine whether an error occurred within 10 Business Days after We hear from You and will correct any error promptly. If We need more time, however, We may take up to 45 calendar days to investigate Your complaint or question. In this event, We will generally credit Your Account within 10 Business Days for the amount You think is in error so that You will have use of the money during the time it takes Us to complete Our investigation. If We ask You to put Your complaint or question in writing and We do not receive it within 10 Business Days, We need not credit Your Account or We may reverse any credit previously made to Your Account. Margin accounts need not be credited during Our investigation.

Foreign Transactions. For Card Transactions initiated outside the United States, the applicable time period for investigations shall be 90 calendar days in place of 45 calendar days.

Purchases. For point-of-sale transactions (that is, Purchases and Cash Advances), the applicable time period for investigations shall be 90 calendar days in place of 45 calendar days.

New Accounts. For Accounts that have been open for 30 calendar days or less, the applicable time period for investigations shall be 90 calendar days in place of 45 calendar days and We may take up to 20 Business Days to credit Your Account while investigating.

Informing You of the Results. In any case, We will tell You the results within three Business Days after We complete Our investigation. If We decide that there was no error, We will reverse the applicable credit and send You a written explanation. You may ask Us for copies of the documents that We used in Our investigation.

C.4.h. Our Liability for Failure to Complete Electronic Fund Transfers. If We do not complete an Electronic Fund Transfer to or from Your Account on time or in the correct amount according to this Agreement, We will be liable for Your losses or damages. However, there are some exceptions. We will not be liable, for instance if:

- through no fault of Ours, You do not have a sufficient Available Balance to make the Transaction; or
- any ATM, other device, Card or computer system was not working properly and You knew about the breakdown when You started the Transaction; or
- the ATM or other device You are using for the Transaction does not have enough cash; or
- the ATM or other device You are using for the Transaction was unable to process the Transaction; or
- Your Account is frozen (for example, because of a court order or other similar reason) and We are not permitted to make the Transaction; or
- circumstances beyond Our control (such as fire or flood) prevent the Transaction, despite the reasonable precautions that We have taken; or
- You have failed to enter Your correct PIN after the maximum number of attempts permitted; or

- You failed to use the ATM, other device, Card or computer system in accordance with instructions; or
- We have limited or refused to complete Transactions for security reasons; or
- We have reason to believe that the requested Transaction is unauthorized.

There may be additional exceptions stated elsewhere in this Agreement or otherwise notified to You by Us or in Your other agreements with Pershing. None of Us will be responsible for any person's actions in refusing to honor or accept Your Card or Checks or in taking possession of Your Card. In any case, We will be liable only for actual proven damages if the failure to make the Transaction resulted from a bona fide error by Us despite Our procedures to avoid such errors.

C.4.i. Card Transaction Receipts. You can get a receipt at the time You make Card Transactions, except for Card Transactions You make by telephone, mail or via the internet. Receipts may not be provided for Purchases of \$15.00 or less, or for Card Transactions performed outside the United States. Card Transactions will also be reflected on Your Account statement.

Merchants generally maintain receipts of Card Transactions for 12 months, which merchants are not required to provide unless requested in connection with fraud investigation or legal purposes. If You call Pershing, We will attempt to obtain copies of drafts. If You request a copy of a sales draft, Your Account may be charged a fee, plus the amount of any third-party fees to obtain the sales draft.

C.5. Confidentiality

You give Us permission to share information with Pershing, Administrator and Bank. Under normal circumstances, We will not reveal any information about Your Accounts to third parties. We will not reveal any information to third parties about Your Account and Your Transactions EXCEPT: (1) You hereby authorize Us to share information concerning Your Transactions with Pershing, Administrator and Bank); or (2) where it is necessary for completing Your Transactions or providing any related Card and/or Check benefits to You; or (3) in order to verify the existence and condition of Your Account for a third party, such as a credit bureau or merchant; or (4) in order to comply with laws or with orders or subpoenas of government agencies or courts; or (5) if You give Us written permission; or (6) to other persons and entities in order to resolve disputes arising from Transactions; or (7) in the circumstances contemplated by Pershing's Privacy Policy, as furnished to You separately and updated or amended from time to time by Pershing.

C.6. Disputes Involving Your Account

To the fullest extent permitted by law, You agree to be liable to Us for any loss, costs, or expenses, including reasonable attorneys' fees, that We may incur as a result of any dispute involving Your Account. To the fullest extent permitted by law, You authorize Us to deduct any such loss, costs or expenses from Your Account without prior notice to You. This obligation includes disputes between You and Us involving the Account and situations where We become involved in disputes between You and an authorized signor, another joint owner or a third party claiming an interest in the Account. Also, it includes those situations where You, an authorized signor, another joint owner or a third party take some action with respect to the Account which causes Us to seek the advice of counsel, even though We do not actually become involved in the dispute.

C.7. Our Duty of Care

The duty of care of Pershing, Administrator and Bank to You is satisfied if reasonable banking procedures are followed. Unless We have specifically agreed with You in writing, Our duties will not include monitoring nonstandard instructions or other legends appearing on Checks. We shall be deemed to have exercised ordinary care as to Your

signature if We process Your Check by automated means only (so as to clear the largest number of checks at the lowest cost to customers) or if any unauthorized signature or alteration is so skillfully made that a reasonably careful person would not readily detect it. A clerical error or mistake in judgment is not to be considered a failure to meet the duty of care of Pershing, Administrator or Bank.

The obligations of Pershing, Administrator and Bank are set forth in this Agreement. None of Pershing, Administrator or Bank is liable for the obligations of the others.

C.8. Extraordinary Events

Pershing shall not be liable for loss caused directly or indirectly by government restrictions, exchange or market rulings, suspension of trading, war, strikes or other conditions beyond Our control.

C.9. Terminating Your Banking Services

Pershing, Administrator, Bank or You may terminate this Banking Services Agreement, including the use of Check writing services, Cards or other Banking Services, if applicable, at any time, without closing Your Account. Without limiting the foregoing, Your Card will be cancelled and Your Check writing services, Cards or other Banking Services, as applicable, terminated effective with the closing of Your Account. You shall remain responsible for authorized charges that arise before or after such cancellation or termination. In the event of cancellation or termination for whatever reason, You shall promptly destroy all Checks and Cards. SECTION D — BILLSUITE™ AGREEMENT

D.1. Payment Scheduling

The earliest possible Scheduled Payment Date for each Biller (typically four (4) or fewer Business Days from the current date) will be designated within the Billsuite Service when You are scheduling the payment. Therefore, the Billsuite Service will not permit You to select a Scheduled Payment Date prior to the earliest possible Scheduled Payment Date designated for each Biller. When scheduling payments You must select a Scheduled Payment Date that is no later than the actual Due Date reflected on Your Biller statement unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, You must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date. Scheduled Payment Dates must be prior to any late date or grace period.

D.2. The Billsuite Service Guarantee

Due to circumstances beyond the control of the Billsuite Service Provider, particularly delays in handling and posting payments by Billers or financial institutions, some transactions may take longer to be credited to Your account. The Billsuite Service Provider will bear responsibility for any late payment-related charges up to \$50.00 should a payment post after its Due Date as long as the payment was scheduled in accordance with the guidelines described under “Payment Scheduling” in this Billsuite Agreement.

D.3. Payment Authorization and Payment Remittance

By providing the Billsuite Service Provider with names and account information of Billers to whom You wish to direct payments, You authorize the Billsuite Service Provider to follow the Payment Instructions that it receives through the payment system. In order to process payments more efficiently and effectively, the Billsuite Service Provider may edit or alter payment data or data formats in accordance with Biller directives.

When the Billsuite Service Provider receives a Payment Instruction, You authorize the Billsuite Service Provider (through Your financial institution) to debit Your Payment Account and remit funds on Your behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by You. You also authorize the Billsuite Service Provider (through Your financial institution) to credit Your Payment Account for payments returned to the Billsuite Service Provider by the United States Postal Billsuite Service or Biller, or payments remitted to You on behalf of another authorized user of the Billsuite Service.

The Billsuite Service Provider will use its best efforts to make all Your payments properly. However, the Billsuite Service Provider shall incur no liability and any Billsuite Service Guarantee shall be void if the Billsuite Service Provider is unable to complete any payments initiated by You because of the existence of any one or more of the following circumstances:

- If, through no fault of the Billsuite Service Provider, Your Payment Account does not contain sufficient funds to complete the transaction or the transaction would exceed any credit limit extended to You in Your margin account;
- The payment processing center is not working properly and You know or have been advised by the Billsuite Service Provider about the malfunction before You execute the transaction;
- You have not provided the Billsuite Service Provider with the correct Payment Account information, or the correct name, address, phone number, or account information for the Biller and/or

- Circumstances beyond control of the Billsuite Service Provider (such as, but not limited to, fire, flood or interference from an outside force) prevent the proper execution of the transaction and the Billsuite Service Provider has taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing exceptions are applicable, if the Billsuite Service Provider causes an incorrect amount of funds to be removed from Your Payment Account or causes funds from Your Payment Account to be directed to a Biller which does not comply with Your Payment Instructions, the Billsuite Service Provider shall be responsible for returning the improperly transferred funds to Your Payment Account, and for directing to the proper Biller any previously misdirected transactions, and, if applicable, for Your losses and damages.

D.4. Payment Methods

The Billsuite Service Provider reserves the right to select the method by which to remit funds on Your behalf to Your Biller. These payment methods may include, but may not be limited to, an electronic payment, an electronic to check payment, or a laser draft (funds remitted to the Biller are deducted from Your Payment Account when the laser draft is presented to Your financial institution for payment).

D.5. Payment Cancellation Requests

You may cancel or edit any Scheduled Payment (including recurring payments) by following the directions within the Billsuite Service. There is no charge for cancelling or editing a Scheduled Payment. Once the Billsuite Service has begun processing a payment it cannot be cancelled or edited, therefore a stop-payment request must be submitted.

D.6. Stop-Payment Requests

The Billsuite Service Provider's ability to process a stop-payment request will depend on the payment method and whether or not a check has cleared. The Billsuite Service Provider may also not have a reasonable opportunity to act on any stop-payment request after a payment has been processed. If You desire to stop any payment that has already been processed, You must contact Customer Billsuite Service (see Section D.13 for Our contact information). Although the Billsuite Service Provider will make every effort to accommodate Your request, the Billsuite Service Provider will have no liability for failing to do so. The Billsuite Service Provider may also require You to present Your request in writing within fourteen (14) days. The charge for each stop-payment request will be the current charge for such service as set out in the applicable fee schedule.

D.7. Prohibited Payments

Payments to Billers outside of the United States or its territories are prohibited through the Billsuite Service.

D.8. Exception Payments

Tax payments and court ordered payments may be scheduled through the Billsuite Service, however such payments are discouraged and must be scheduled at Your own risk. In no event shall the Billsuite Service Provider be liable for any claims or damages resulting from Your scheduling of these types of payments. The Billsuite Service Guarantee as it applies to any late-payment-related charges is void when these types of payments are scheduled and/or processed by the Billsuite Service. The Billsuite Service Provider has no obligation to research or resolve any claim resulting from an exception payment. All research and resolution for any misapplied, mis-posted or misdirected payments will be the sole responsibility of You and not of the Billsuite Service Provider.

By providing Us with such information, You authorize Us to use the information to obtain Your bill data.
